

Our Pre-Listing Proposal

RE/MAX is the leading real estate company in the Comox Valley. I am proud to say we truly work for an excellent organization and are indeed, part of the team of top producers in the Comox Valley.

If you invite us over to view your home, we will be providing you with our 24 page Pre-Listing Proposal. It will outline the following:

PRINT/MEDIA

- We advertise in the **Comox Valley Record** - with 2 full pages per week, on pages 3 & 4, in the Comox Valley Homes. We do one color and one black and white.
- We advertise in the **Totem Times** magazine.
- We advertise in the **Comox Valley Alpine to Ocean** magazine.
- We also advertise in the **19 Wing Welcome Book**.

INTERNET

We advertise all of our listings online. Our site has the power of reaching potentials buyers around the globe.

FIT TO SELL DVD

RE/MAX has enlisted the help of popular staging expert Carla Woolnough, host of the DVD series 'How to Stage your own Home' and owner of Next-Step Design, to develop **Fit to Sell**. The program encourages existing homeowners to increase their stake in the home-selling process by working with their real estate professional to bring their home to the market. **Fit to Sell** ultimately rewards their participation by maximizing sale price and minimizing on-market time. We give a copy free to all our listing clients.

For full details please contact us and allow us to discuss with you, your needs and present to you what we have to offer.
